Thanks, Brian. Looks like it is in the middle of a key all OWOW managers staff meeting which I can't miss (and recommend you not either). Perhaps Russ can cover w Lee.

Thanks

John,

As a FYI, I noticed on Lee's calendar that he will be meeting with Hud Bay (Rosemont) folks today. I left a message with Ann this morning to see if Russ and I could be added to the invite. If the we're not able to get on the invite, I think you should be in the room. Just so that you know, I sat in on the last 2 meetings.

Thanks
